

VALUE FINITY

HEDGE MODDAN

Founded in 2002, ValueFinity is a leading global hedge fund and investment management firm specializing in private equity, investments, and consulting.

Investor & Internal Report

Investment Philosophy & Strategy

Value Added Orientation

We focus on middle-market private equity, identifying opportunities where our expertise can drive significant growth and operational improvements.

Operator-First Philosophy

Our approach is hands-on. We partner with management teams to build resilient companies and create enduring, long-term value.

Disciplined Capital Allocation

Leveraging strategic foresight to deploy capital responsibly, ensuring sustainable returns and strategic advantage for our partners.

How We Serve Our Clients

Personalized Portfolio Management: Crafting bespoke investment strategies that align with each client's unique financial goals, risk tolerance, and long-term vision.

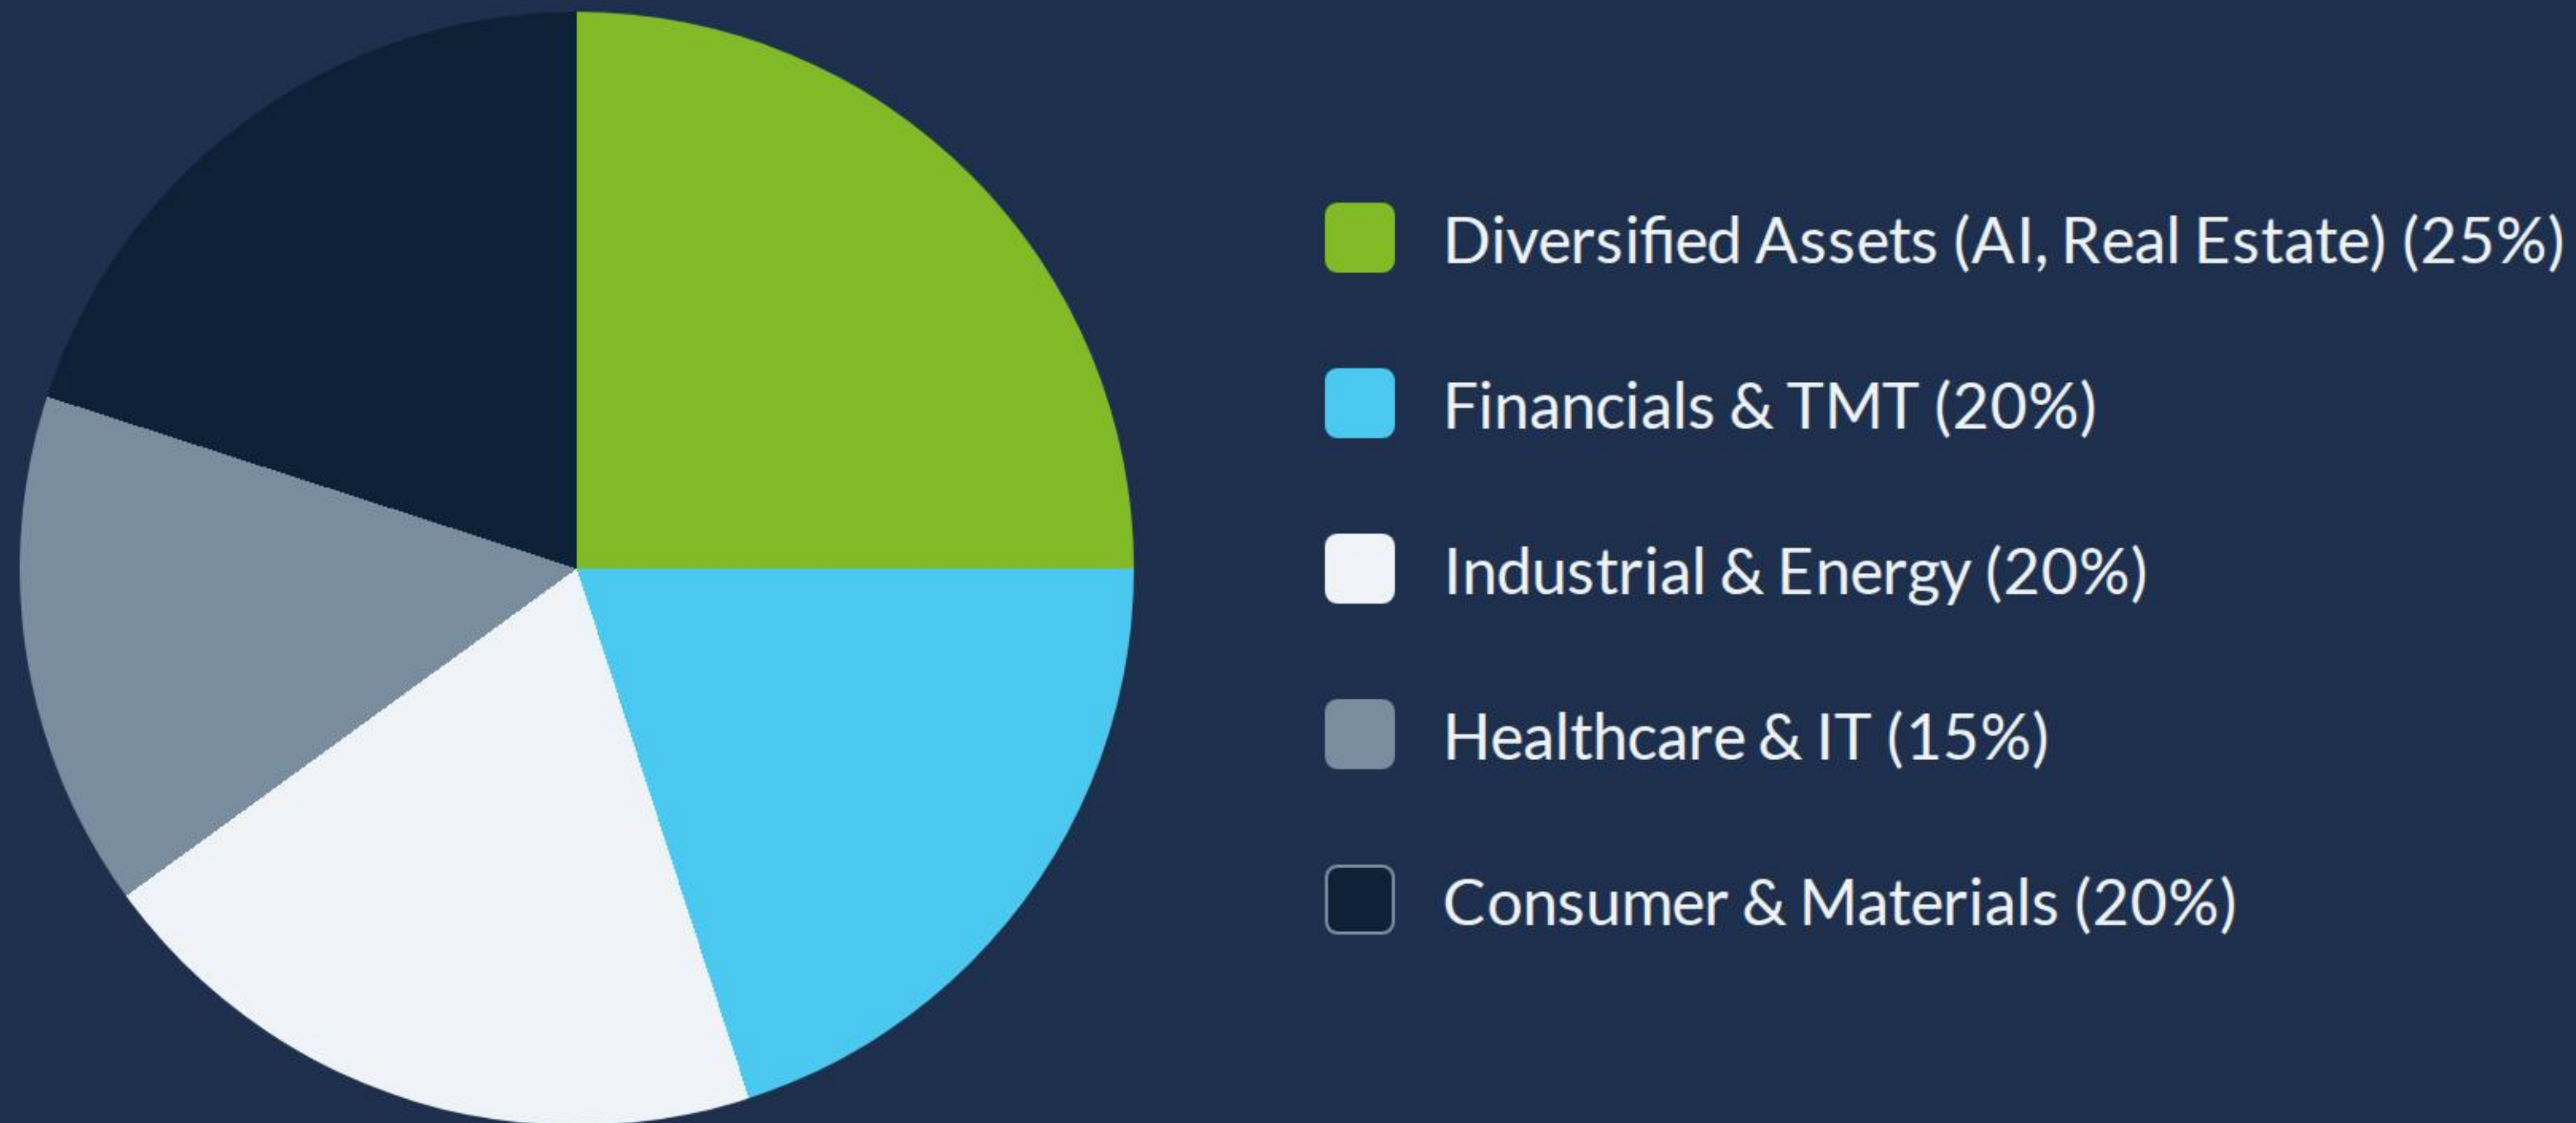

Comprehensive Risk Management: Employing rigorous analysis, diversification, and proactive adjustments to protect capital and mitigate volatility across all market cycles.

Commitment to Enduring Value: Our primary mission is sustainable, long-term value creation. We build strategic partnerships with our clients based on trust, transparency, and shared success.

Portfolio Highlights & Diversification

Our portfolio is strategically diversified across key growth sectors. Since 2002, we have invested **\$2.4 Billion** in **150 transactions** across **11 countries**, demonstrating our global reach and disciplined approach.

Market Insights & Future Outlook

ValueFinity is actively monitoring global market trends, focusing on emerging opportunities in AI, technology startups, and large-scale infrastructure. Our outlook remains positive, with a continued focus on disciplined growth and strategic foresight to navigate future landscapes.
